Professional Summary

Motivated B.Tech Computer Science & Engineering student at Galgotias University with strong foundations in full-stack development, AI, and mobile ecosystems. Expertise in iOS Development, Data Science, and Data Engineering, with a proven track record of building P2P marketplaces and robust backend architectures using Design Thinking.

Technical Skills

Languages	Python, Java, C#, Swift, SQL, JavaScript (ES6+)
Mobile/Web	iOS (SwiftUI, UIKit, Xcode), React.js, Node.js, Express.js, Tailwind CSS
Data Science	Pandas, NumPy, Scikit-learn, Data Pipelines, ETL, Machine Learning
Tools	Git/GitHub, MySQL, MongoDB, Postman, Google Colab, Jupyter Notebooks
Specialized	Data Structures & Algorithms (DSA), API Integration, Design Thinking

Projects

2-Way	P2P Service Marketplace Developed a dynamic ecosystem with a dual-identity interface, allowing users to switch between Consumer and Provider roles. Implemented a unified booking system to remove barriers between professionals and customers.
GradGuard	College-Alumni Connect Engineered a multi-platform networking solution. Built a native iOS experience using Swift/Xcode with optimized animations and a responsive React web application for verified community building.
DSA Visualizer	Educational Tool Created an interactive tool providing step-by-step visual representations of complex Data Structures and Algorithms to make abstract CS concepts intuitive for students.
E-commerce API	Backend Architecture Architected a robust server-side foundation using Node.js and Express.js. Engineered core logic for product management, secure JWT authentication, and transaction processing.

Education

2023–2027	B.Tech in Computer Science & Engineering , Galgotias University Expected Graduation: 2027
2022	Intermediate (Class 12) , Patna Muslim High School, Patna
2020	Matriculation (Class 10) , Himalayan International School

Certifications

- Google Developer Certification - AI & Machine Learning
- Data Engineering Master Certification
- Data Science Professional Certificate - IBM/Coursera
- iOS App Development with Swift Specialization (In Progress)
